

Air & Waste Management Association 2019

ConsultExpo Event Services Inc, in partnership with Beyond Borders Logistics & Consulting Inc, have been appointed the “official” services provider for all Customs related services for this year’s event in Quebec City, QC Canada June 25-28 2019.

Prior to shipping your materials into Canada for the event, please ensure the proper documentation is completed and sent in to ensure there are no delays with your shipment. For any exhibitors wishing to carry your event materials across the border in your personal vehicle, it is important to notify of your intentions approximately four weeks prior to departure to ensure that the necessary procedures are followed and set up so you are able to get through Customs and cleared without any issues.

If you require any information explained to you in French, one of our bilingual staff and partners will assist you through it.

Please check with your transport services provider to for important transit time dates to allow transit to the show and to allow for customs clearance. Please feel free to contact us at any time ops@beyond-bordersLC.com or 416-771-4065.
