

45th Annual A&WMA Information Exchange

Virtual Conference • December 9–10, 2020

Sponsorship and Virtual Exhibit Space Opportunities

Sponsorship and exhibiting virtually is a great opportunity to build brand awareness, brand image and corporate image, showcase products and services, develop connections and relationships with industry experts, and be recognized as a leader in the field. Sponsors and virtual exhibitors receive recognition on the conference website and virtual conference platform reaching many potential buyers. There are multiple package options to meet your marketing goals and budget.

\$1500 GOLD SPONSORSHIP	\$1000 SILVER SPONSORSHIP

About the Conference

This conference is one of the best kept secrets in the industry for information exchange, discussion, and solutions. This year's virtual program will cover policy updates, regulatory changes, and research on the latest environmental topics.

U.S. EPA speakers from the Office of Air Quality Planning and Standards (OAQPS) and Office of Research and Development (ORD) will present their latest information on environmental rules, policies, and research on current topics. Additional speakers from industry, NGOs, agencies and academia will share their expertise and the latest solutions for maintaining compliance and **reducing environmental impacts** and two panels will be held on the topics of PFAS and Global Climate Change.

Contact Jeff Schurman at jschurman@awma.org, or 412-904-6003 to discuss your opportunities.
