

**AIR & WASTE MANAGEMENT
A S S O C I A T I O N**
◆
Lake Michigan States Section

January 21, 2018

Dear Student:

Thank you for your interest in the Air & Waste Management Association- Lake Michigan States Section's (A&WMA-LMSS) Rothblatt Scholarship Program.

To ensure adequate human resources and to improve knowledge and skills in the fields of air and waste management, the Association provides financial support to qualifying graduate students.

The Lake Michigan States Section will be awarding a scholarship for the 2018/2019 academic year valued at \$1,500.00 to a student attending an institution of higher learning within the AWMA-LMSS region.

We look forward to receiving your application. If you have any questions about the program, contact the Air & Waste Management Association- Lake Michigan States Section's Rothblatt Scholarship Committee Chair, Ms. Deb Jacobson at University of Illinois - Sustainable Technology Center 630/472-5019 or djacobso@illinois.edu.

Very truly yours,

Christina Landgraf

**Stephen H. Rothblatt
Scholarship**

The Air & Waste Management Association- Lake Michigan States Section has established a scholarship for graduate students studying in the environmental field in memory of a long-time member and supporter, Stephen H. Rothblatt.

Mr. Rothblatt was the Director, Air and Radiation Division, U.S. Environmental Protection Agency, Region 5, headquartered in Chicago, Illinois. His credentials included:

- *Advisor to the Governments of Lithuania, Latvia, Estonia and India related to air quality management programs.*
- *Advisor to the Republic of Korea, leading a team of air quality experts twice to Seoul where they developed a strategy to deal with the reduced visibility/fine particulate problem of the Seoul-Inchon metropolitan area.*
- *Chairman of the Air & Waste Management Association - Lake Michigan States Section, 1987-1988.*
- *In 1989, he was detailed to U.S. EPA's Office of Air and Radiation in Washington, DC to work with the Headquarters' team developing what became the 1990 Amendments to the Clean Air Act.*
- *Mr. Rothblatt earned his Chemical Engineering degree from the University of Illinois at Champaign-Urbana and the Juris Doctorate degree from DePaul University's College of Law.*

Application Information

Eligibility: Individuals must be full or part-time graduate student, attending an institution of higher learning located within the service region of the A&WMA-LMSS, pursuing a course of study and/or research at the start of the 2018/2019 academic year leading to careers in environment related studies and be a U.S. citizen or permanent resident. The Scholarship is only a one-year award. To qualify for a second year, individuals must reapply.

Application: Application materials must be postmarked by April 13, 2018 and sent to Ms. Deb Jacobson, University of Illinois - Sustainable Technology Center at the address shown below. Only complete application packets postmarked on or before the April 13 deadline, including all of the sections described below, will be considered.

Section 1 **Application Cover Sheet**
See form enclosed.

Section 2 **Letter of Recommendation from a professor, academic advisor or department chair.**

Section 3 **A paper reflecting academic and professional interests and objectives (500 – 600 words).**

Section 4 **A check or money order for \$20. The fee covers the scholarship application fee and also includes a one-year membership to the LM-AWMA as a local student associate member. Checks should be made payable to LM-A&WMA and mailed to LM-A&WMA, 11 W. Pleasant Hill Blvd., Palatine, IL 60067.**

Selection Process: Awards will be made on the basis of academic record, plan of study, career goals, recommendations, and extracurricular activities without consideration of sex, race, national origin, financial need, age or physical disability. The Scholarship Awards Committee reviews all applications received and its decision is final. (Any attempt to improperly influence members of the Scholarship Awards Committee will automatically result in disqualification.) Announcement of the scholarship awards will be made by May 31, 2018.

Submission Instructions:

Submit the application package electronically in a pdf or Microsoft Word file format to:

Ms. Deb Jacobson

RECOMMENDATION FORM

Dear Evaluator:

Please complete the attached recommendation form in support of the applicant's request for the Air & Waste Management Association- Lake Michigan States Section (A&WMA-LMS) scholarship. Your assessment should evaluate his/her ability to do graduate work, character traits, and potential for professional success.

We request that your letter of recommendation include the length of time you have known the applicant and in what capacity. Your evaluation of the individual and his/her credentials should include but not be limited to: intellectual ability, initiative, oral and written expression, motivation, emotional maturity, dependability, creativity, flexibility, and known professional and community contributions. Discuss any particular strengths and weaknesses that the individual has.

In addition, please fill out the attached sheet. It will provide us with objective guidelines to follow when ranking candidates in different areas. If you are recommending more than one student for this award program, we request that you differentiate and rank your students accordingly. We know that you will appreciate the difficulty of evaluating many excellent applications, and hope that you will provide us with a candid appraisal of this individual.

Your assistance in helping us get better acquainted with the applicant and his/her credentials is greatly appreciated. If you have any questions about the program, please direct them to: Ms. Deb Jacobson at University of Illinois - Sustainable Technology Center 630/472-5019 or djacobso@illinois.edu.

Thank You,

A&WMA-LMSS Scholarship Awards Committee

Please ensure delivery of the recommendation to the applicant so that his/her completed application may be postmarked by April 13, 2018. Letters postmarked after April 13, 2018 may be disqualified.
