Abstract Title

This abstract provides instructions on the format to be used when submitting the initial abstract to an A&WMA Specialty Conference. The abstract should be 300 words or less. The title should appear at the top, centered, and in bold. The authors’ names should appear below the title, centered. Each author’s name should appear as a first and last name. The principal contact information should be given for the author serving as primary contact. This information should include name, mailing address, phone number, fax number, and e-mail address. The e-mail address should be double-checked since it will be used as the primary means of contacting the authors. The conference chairs reserve the right to edit this abstract for grammar and format since it may be used in the preliminary and final programs. Authors will be given a chance to review and approve of the changes.

Please email the conference technical chair(s) with any technical questions. Technical Chair contact information can be found directly on the Call for Abstracts.

We look forward to receiving your abstract soon!
